HUDSON DERMATOLOGY

Neera Agarwal-Antal, M.D.

Dear New Patient:

There is a shortage of dermatologists in the United States. Therefore, it takes anywhere from three to six months or even longer to get a new patient appointment. In order to accommodate this demand, we carry a heavier schedule than some of the other physicians you may see. Although our goal is to stay on-time, it is not always possible. We ask you to help us by arriving on time for your appointment and bringing the attached completed and signed registration forms. If you are late for your appointment, do not have your forms completed and/or do not have your insurance card or referrals, we *may* have to ask you to reschedule. If we are running later than your scheduled appointment time and you can no longer wait, please see the front desk to reschedule. We apologize in advance for any inconvenience this may cause.

Our goal is to have the most efficient office. Therefore, we have put together the following packet to help our office operate as efficiently possible and help you have a better understanding of how our office runs.

As part of our ongoing effort to ensure that all of our new patients receive the individualized care they deserve, Dr. Agarwal-Antal asks that you complete the following questionnaire and registration sheet to the best of your ability. Use the medium black pen provided, so that it can be scanned into your chart. Please do not use pencils or colored pens. **BRING THIS COMPLETED QUESTIONNAIRE ALONG WITH YOUR INSURANCE CARD AND PHOTO I.D. WITH YOU AT THE TIME OF YOUR APPOINTMENT.** Some questions may not apply to you or your situation. Fill these areas in with "N/A". If this information is not completed, you do not have these forms with you, or you do not have your insurance card, **YOU WILL NOT BE SEEN.**

If a referral is required by your insurance plan, it is **YOUR RESPONSIBILITY** to obtain such a referral from your primary care doctor (PCP). Even if another specialist has recommended that you see Dr. Agarwal-Antal, the actual insurance referral has to be obtained from your PCP. We strongly advise all patients call our office two days prior to your scheduled appointment to make sure that our office has received your referral. **WITHOUT A CURRENT REFERRAL, YOU WILL BE ASKED TO RESCHEDULE YOUR APPOINTMENT FOR A LATER DATE.**

If this appointment is for a minor, a legal guardian must accompany the minor to the appointment. If the minor will be brought by someone other than the legal guardian, a notarized Permission to Treat letter must be brought to the visit. If the minor will be driving him/herself to the appointment, there is a consent form that can be filled out and signed by the legal guardian giving permission for the minor to be seen alone.

Those patients, with a Durable Power of Attorney for Healthcare (DPOA-HC) must either arrive with the DPOA-HC or documentation of such. The DPOA-HC must give consent for this appointment and must be able to be reached during the appointment so that we may obtain any necessary consents to treat the patient. Our office must have the DPOA-HC name, phone number and fax number. **SOME PATIENTS MAY NEED TO RESCHEDULE PROCEDURES IF WE ARE UNABLE TO REACH THE DPOA-HC DURING THE PATIENT'S VISIT.**

In an attempt to make our office more efficient and to better serve our patients, we have installed an Appointment Reminder System and Message Center. Our system will call you two days prior to your appointment and remind you of the date and time of your appointment. If you cannot make your appointment, just follow the instructions given during the call to cancel your appointment or leave a message. Please note that this system will not work if the number in our system requires that it choose an option before a message can be left.
